The Delta Dental Organization

Delta Dental is proud to be America’s largest, most experienced dental benefits company. Made up of 39 independent, affiliated member companies, Delta Dental is a not-for-profit organization with some for-profit affiliates. Delta Dental’s member companies are all members of the Delta Dental Plans Association (DDPA), whose mission is to help improve the overall oral health of the nation by making dental care more available and affordable to the public through the expansion of dental benefits programs. Together, we offer a nationwide dental benefit programs for a wide range of groups and individuals. Delta Dental member companies administer programs that provide enrollees with quality, cost-effective dental benefits. Since 1954, Delta Dental has worked to improve oral health in the U.S. by emphasizing preventive care, and making dental coverage affordable to a wide variety of groups.

Delta Dental Products

Delta Dental member companies offer a variety of programs for groups and individuals that range from managed fee-for-service and preferred-provider programs (PPOs) to dental health maintenance organizations (DHMOs), as well as customized programs as needed. Delta Dental member companies provide quality, consistent dental benefits programs to groups with a multi-state labor force. These products include:

- **Delta Dental Premier**: a national, network based dental program in which participating dentists are prohibited from billing the patient above the maximum allowed fee.
- **Delta Dental PPO**: a national, network based dental program in which participating dentists agree to deeper discounts.
- **DeltaCare**: a dental health maintenance organization
- **Delta Dental Legion**: a voluntary dental benefits program developed to serve Uniformed Service Retirees and their families.
- **DeltaVision**: an affordable vision benefit plan offered in select Delta Dental markets.
- **Delta Dental Patient Direct**: a dental discount program available in selected Delta Dental markets for groups, individuals and families.
